TUTORIAL FOR DEALERS

Concerto Web is Gruppo Intergea's platform for dealers and operators in the automotive sector.

You can use it to view our inventory of new, used and km0 cars, and you can book them with a simple click.

REGISTRATION AND LOGIN

Registration is free and it allows you to access both Concerto Web and our online auction platform.

Visit **<https://asta-car.it/register/?lang=en>** to register.

You will receive the credentials to access the platform via e-mail after completing the registration.

You will also be assigned a contact person to refer to for any information.

If you are already registered, you can access the Concerto Web platform with the same credentials you use for the online auction platform.

First, click “**Accedi al Portale**” and then click on the “**Concerto, il tuo stock virtuale**” icon.

LOGIN

A close-up, low-angle shot of a car's front wheel and headlight, overlaid with a green tint and a horizontal line. The image is dominated by a vibrant green color scheme. In the foreground, the left side of the car is visible, showing a multi-spoke alloy wheel and the front fender. The background is a blurred view of the car's engine bay, with various mechanical components and hoses. A thin, horizontal green line runs across the middle of the image, passing through the word "SEARCH".

A close-up, low-angle shot of a car's front end, focusing on the wheel and headlight, with a green overlay. The image is dominated by a vibrant green color that filters over the entire scene. The car's front wheel, featuring a multi-spoke alloy design, is prominent on the left side. The headlight and the front grille are visible, though slightly out of focus. The background shows the car's body panels and the front suspension components. The overall composition is dynamic and emphasizes the car's design details.
